I currently have over 29 years of experience in state government. I began my State Government career [in the office of](#) Unemployment Insurance, where I worked as a Claims Investigator. I transferred to [the Department for Community Based Services](#) where I worked as Data Entry Operator, Office Assistant, and now as Procedure Development Coordinator/CQI Specialist for The Lakes Service Region.

I want to be part of a board that allows every employee of all levels voice to be heard. One that is fair, balanced and meets the needs of each employee of the Commonwealth. I feel each employee has a voice in personnel. As part of the Personnel Board, I will go that extra mile for each individual in our Commonwealth, and ensure each person is treated both fairly and equally.

I have served the Cabinet as Cultural Diversity Trainer and E.E.O. Counselor for the region. I am currently President Elect of the state employee Ten-Ure Organization and Vice President of the local K.H.S.A. organization.
